TENDER DOSSIER**

Contract Title: **Supply of Coastal Patrol Boats**
Publication Reference: **NEAR/ANK/2021/EA-OP/0074**

Further to the requests received from the tenderers, the following clarifications are provided:

Question 1:

Can you please clarify the difference between the information in the Tender documents and the eTendering website?

On the website it says that the time limit for the receipt of Tenders is 18/10/2021 at 17:00. In the documents in the portal it says that the time limit for the submission of tenders is 27/09/2021 at 17:00

Which one is the correct deadline?

Answer 1:

The document of Instructions to Tenderers was mistakenly published with two different versions on eTendering website with 'c4b itt en' and 'Instructions to Tenderers' titles. Please consider the latter one with the name of 'Instructions to Tenderers' which stipulates the submission deadline as 18/10/2021 at 5:00 p.m.

Please note that deadline for submission of tenders was set as 18/10/2021 at 5:00 p.m also in the published Contract Notice.
